**COME VOLUNTEER WITH US!**

Agrace Thrift Stores and the Agrace Thrift Home Store are known for being best of the best in so many categories—great selection, great prices, and great volunteers! Our amazing volunteers make up 75% of our overall workforce in the thrift stores. They come from all walks of life and join together for a common cause: helping Agrace achieve its mission.

As we continue to grow our stores we are looking for more volunteers to help us along the way. We are currently seeking friendly cashiers, savvy donation sorters, and merchandising magicians to help us keep up with our generous donors and the treasures they bring us every day.

Never worked retail before? No problem! We have a friendly staff happy to help you find your new thrifty passion. You can learn a new skill or uncover a talent you never knew you had all while meeting new people and being a part of a supportive team.

**Apply today** by visiting [agrace.org/volunteer](http://agrace.org/volunteer) — we hope to see you soon!

# Thrift Store ✨

## Celebrates 15 Years Supporting Agrace

It was 2006 when Agrace saw its dream of opening a thrift store to benefit its mission come to fruition. Now, 15 years later, Agrace operates four resale stores in south central Wisconsin—three traditional thrift stores in Madison and Janesville, and a home store in Madison that focuses on furniture and décor. Each Fall Agrace also opens a Holiday Pop-Up Shop for seven weeks.

Since 2006, the stores have generated more than \$3.5 million to support Agrace. The key to the success of the thrift stores' operations is the quality of donations, the loyalty of our customers and the utilization of volunteers.

### Agrace Thrift Stores....

- give you a **place to donate** unneeded possessions and support a charitable cause
- provide a **meaningful volunteer experience** that includes training, recognition and the chance to work with other dedicated volunteers
- offer shoppers like you good values and an **exceptional shopping experience**—with clean, bright stores and quality, gently used merchandise
