

On the Agrace campus in Madison, a shaded brick walkway encircles a small pond and fountain. It's a peaceful setting for patients, visitors and staff to relax in nature.

Accented with personalized bricks, the Agrace Memorial Brick Walk honors people who have left a lasting imprint on our lives.

Each brick is a story, each step a memory.

When you purchase an engraved brick, your tribute to a loved one becomes part of this walk—and helps support Agrace's mission of compassionate care.

Would you like to honor a loved one?

Agrace's Brick Walk is a functional walkway on our campus in Madison and is used by hundreds of people each year. Inclusion of your brick in the walk is guaranteed for the life of the brick.

Supporting Agrace's Mission

Each brick purchased is a memory—and a gift that helps support Agrace's nonprofit care. You can honor a family member, friend, organization or event, knowing the proceeds will help Agrace provide grief support and specialized staff training, as well as end-of-life care for patients who have no other way to pay.

Brick Dedication Ceremony

Bricks are engraved and added to the walk once a year, in the summer. All who purchase bricks are invited, along with their family and friends, to celebrate the newest additions at Agrace's annual Brick Walk Dedication Ceremony.

The 2022 dedication is
August 14, at 2 p.m.

at Agrace's Madison campus.

For this event, brick orders must be received by **June 3, 2022.**
